

**11th INTERNATIONAL CONFERENCE ON
ELECTRICAL ENGINEERING
ICEENG-11**

April 3 -5, 2018, Cairo, Egypt

Sponsored by

The Egyptian Ministry of Defense

Organized by

**The Military Technical College
Cairo, Egypt**

Conference Correspondence

**All correspondence concerning the conference should
be addressed to:**

The Commandant of the MTC
and Conference Chairman
Military Technical College
Kobry Elkobbah, Cairo, Egypt

Tel: (+202) 24036110 - (+202) 24037859

Fax: (+202) 22621908

Email: iceeng@mtc.edu.eg

**MINISTRY OF DEFENSE
MILITARY TECHNICAL COLLEGE
Kobry Elkobbah, Cairo, EGYPT**

Conference chairman

The commandant of the MTC

Conference vice chairman

The vice commandant of the MTC

Conference general rapporteur

Maj. Gen. R. Prof. Dr. M. T. SALLAM

Conference rapporteur

Maj. Gen. R. Assoc. Prof. Ahmed Elsaid

The Military Technical College, Cairo, Egypt, has the pleasure to organize the 11th International Conference on Electrical Engineering during the period April 3 - 5, 2018.

In addition to regularly scheduled scientific sessions, separate exhibition and seminars will be devoted to the presentation of latest achievements in electrical applications. This conference activity is intended to be a forum that facilitates and promotes communication and cooperation among conference participants.

INVITATION

International scientific communities, interested societies and individuals are invited to attend the 11th International Conference on Electrical Engineering during the period April 3 - 5, 2018.

CALL FOR PAPERS

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2017. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guide lines for preparing manuscripts by November 1, 2017. Complete manuscripts should be submitted by December 1, 2017. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2018.

CONFERENCE LANGUAGE

English is the official conference language.

CONFERENCE TOPICS

- 1- Communication and Networks
- 2- Computer and Software Techniques
- 3- Guidance, Navigation, and Control
- 4- Radar Systems
- 5- Circuits and Systems
- 6- Signal Theory and Signal Processing
- 7- Remote Sensing and Avionics
- 8- Power and Energy Circuits and Systems
- 9- Biomedical Engineering

SEMINARS AND INVITED LECTURES

Conference program will include invited lectures and seminars covering the state-of-the-art achievements in electrical engineering fields. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

Those interested in this activity are invited to submit an abstract of their presentation including the title, their full name(s) and address, telephone and fax numbers and E-mail by December 15, 2017.

EXHIBITION

All organizations are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

DEADLINES

1 Abstracts submission	Oct. 1,	2017
2 Notification of abstract acceptance	Nov. 1,	2017
3 Submission of complete manuscript	Dec. 1,	2017
4 Revised manuscript	Jan. 1,	2018
5 Camera-ready manuscript (hard and soft copy)	Feb.1,	2018
6 Seminar abstract	Dec. 15,	2017
7 Exhibition registration	Jan. 1,	2018
8 Exhibition fee refund	Feb. 1,	2018

CONFERENCE REGISTRATION FEES

Registration fees for the conference are LE 400 for Residents (US \$ 400 for Internationals), covering the reception, lunch, coffee breaks and the conference proceeding. Registration fees are payable to Military Technical College, Cairo.

EXHIBITION FEES

Indoor exhibition area is located in the conference zone in the Military Technical College. As the exhibition area is limited, participation in the exhibition will be based on first come first served basis. The exhibition fees are LE 4000 for Residents (US \$ 4000 for Internationals) for the twelve square meter booth. Exhibition fees include two complementary registrations to attend the conference.

The outdoor exhibition fees are LE 100 per square meter for Residents (US \$ 100 for Internationals).

STUDENTS ACTIVITY

Engineering students are invited to demonstrate their engineering skill, talent and capability of defending their innovated ideas. The participating students could attend all the conference activities, free of charge.

TRAVEL AND ACCOMMODATION

Participants are responsible for their travel and hotel accommodation. On request, assistance will be provided for hotel reservations, entry visas and reception at Cairo International Airport.

11th INTERNATIONAL CONFERENCE ON ELECTRICAL ENGINEERING

**April 3 -5, 2018, Cairo, Egypt
REGISTRATION FORM**

Please fill in and mail before December 15, 2017.

On-site registration is not allowed.
